#### ATX Bar Ordering instructions

1. Contact owner/bar manager.
2. Get bar order form filled out completely for each individual product.
3. Email a clear picture of the bar order form to [orders@atxliquor.com](mailto:orders@atxliquor.com) and the class B wholesaler's email if given.
  - a. Make sure the subject line of each email contains the following:
    - i. Class B wholesaler
    - ii. Individual product name
    - iii. The name of the bar
  - b. In the body of the email please type out all of the information on the bar order form just in case the handwriting is not legible. Also, please include any other necessary information that will allow us to place the order and deliver it.

Note: ATX Wholesale Liquors can only deliver the product to the class B wholesaler. Once the product has been dropped off, ATX has no control over when it will be delivered to the bar. ATX also has no record of what bars received the product and when. If you need this information, we recommend that you contact the class B wholesaler or the bar manager.
